- 4.3.9
- (1) An AML/CTF program may include appropriate risk-based systems and controls for the reporting entity to determine whether and in what manner to verify the existence of a foreign company by confirming that the foreign company is a foreign listed public company.
 - (2) If an AML/CTF program includes systems and controls of that kind, the AML/CTF program must include a requirement that, in determining whether and in what manner to verify the existence of a foreign listed public company in accordance with those systems and controls, the reporting entity must have regard to ML/TF risk relevant to the provision of the designated service, including the location of the foreign stock or equivalent exchange (if any).
 - (3) If an AML/CTF program includes systems and controls of that kind, an
