

- (3) registered and subject to the regulatory oversight of a Commonwealth statutory regulator in relation to its activities as a trust; or
- (4) a government superannuation fund established by legislation;

an AML/CTF program is taken to comply with the requirements of paragraphs 4.4.5, 4.4.6 and 4.4.7 of these Rules in so far as those customers are concerned.

Simplified Trustee Verification Procedure

The reporting entity must verify that the trust is:

- (1) a managed investment scheme registered by ASIC;
