

AML/CTF program is taken to comply with the requirements of paragraphs 4.3.5, 4.3.6 and 4.3.7 of these Rules in so far as those customers are concerned.

*Methods of verification*

4.3.10 Subject to paragraph 4.3.11, an AML/CTF program must require that the verification of information about a company be based as far as possible on:

- (1) reliable and independent documentation;
- (2) reliable and independent electronic data; or
