

an AML/CTF program need not apply the requirements in 4.11.6 to 4.11.8 of these Rules in relation to that agent.

*Appointment of a verifying officer*

4.11.11 A verifying officer is a person appointed by a customer to act as a verifying officer for the purposes of these Rules. A person may be appointed as a verifying officer if he or she is an employee, agent or contractor of the customer.

*Identification by a verifying officer*

4.11.12 Where an AML/CTF program provides for an agent to be identified by a
