

to partners

- 4.5.1 In so far as a reporting entity has any customer who acts in the capacity of a partner in a partnership, an AML/CTF program must comply with the requirements specified in Part 4.5 of these Rules.

- 4.5.2 An AML/CTF program must include appropriate risk-based systems and controls that are designed to enable the reporting entity to be reasonably satisfied, where a person notifies the reporting entity that the person is a customer of the reporting entity in the person's capacity as a partner in a partnership, that:
 - (1) the partnership exists; and
 - (2) the name of each of the partners in the partnership has been provided in accordance with subparagraph 4.5.3(5).
